Annex 1 to 2020 Group Remuneration Policy and Report

Information Tables Pursuant Art. 84-quater “Annual Report - Section II” of the Regulation n° 11971 Issued by Commissione Nazionale per le Società e la Borsa (Consob)

Year 2019

In the following pages a set of tables presents the quantitative information that the Company must provide in compliance with article 84-quater of Consob's Issuers Regulation nr. 11971.

*In such regards, please note that the information requested at Section I and at the First Part of Section II of the Compensation Report, to be prepared in compliance with Attachment 3A, Schedule 7-bis of the above mentioned Regulation, is contained in the "Remuneration Report", published within the "2020 Group Remuneration Policy and Report", of which this document represents an enclosure.
The following set of tables provides in particular the information foreseen by the Second Part of the above mentioned Section II.*

For a deeper understanding of the methodological criteria underlying the information reported in the various tables, reference is made to Annex 3A of the said Consob Regulation.

Here below a brief information on the contents of the various tables is reported:

TABLE 1: Compensation paid to members of the administrative and auditing bodies, to general managers and to other executives with strategic responsibilities

Provides, at an individual level and on an accrual basis, the details of the compensation paid to the members of the Board of Directors, Board of Statutory Auditors and General Managers.

For the other executives with strategic responsibilities, the information is provided on an aggregate basis. Please note that the related perimeter - defined by the Board of Directors - has changed during the year. On February 6, 2019 the Board approved in fact a reorganization which led to immediately discontinue the General Manager position and to further changes effective March 29, 2019. Up to that date - additionally to the Chief Executive Officer (and General Manager till February 6) - the other executives with strategic responsibilities were the co-Chief Operating Officers, the Heads of Group Compliance, Group Human Capital, Group Legal, Group Risk Management, Group Lending Office, Group Transformation Office and Internal Audit. From March 29, 2019 the perimeter is made up of the co-Heads of Commercial Banking Western Europe, co-Heads Commercial Banking Central Eastern Europe, co-Chief Operating Officers, Heads of Group Compliance, Group Human Capital, Group Legal, Group Risk Management and Internal Audit. The related data are reported pro quota and, for comparability purposes, correspond to 10.5 Full Time Equivalent (FTE). The overall compensation paid by UniCredit S.p.A. for 2019 to the Board of Directors and to the Board of Statutory Auditors amounts respectively to € 4,170,819 and € 842,304 .

The "Fair value of equity compensation" (column 7) does not represent a value actually paid to/gained by the beneficiaries of equity plans, being instead the cost that the Company is booking - on an accrual basis and during the vesting period - in consideration of the provision of incentives based on financial instruments. More details on such plans are provided at the following Table 2 and Table 3A.

TABLE 2: Stock Options assigned to the members of the administrative body, to general managers and other executives with strategic responsibilities

Neither the non-executive members of the Board of Directors, nor the members of the Board of Statutory Auditors benefit from any incentive plan, be it based on financial instruments or cash.

Only some executives with strategic responsibilities benefit from stock option/performance stock options plans launched by the Company in the previous years.

The Stock Options 2005 lapsed, having ended their exercise period.

At current prices, the still outstanding 2006 Stock Options are largely out of the money.

TABLE 3A: Incentive plans based on financial instruments other than stock options, in favor of members of the administrative body, general managers and other executives with strategic responsibilities

The table reports the number of shares promised and/or granted in connection with short/long term incentive systems.

With reference to the Group Incentive Systems, the table reports the shares granted/promised in relation to equity deferrals, subject to malus and claw-back clauses. For the plans' features reference is made to the the description contained in the Compensation Report.

Please note that for both the Chief Executive Officer and the General Manager, the 2017-2019 LTI Plan, linked to the Transform 2019 strategic plan, represents the sole incentive tool over the plan horizon.

TABLE 3B: Monetary incentive plans in favor of members of the administrative body, general managers and other executives with strategic responsibilities

Provides the details of all the cash incentives accrued and/or paid during the year in favor of the Chief Executive Officer, General Manager and other executives with strategic responsibilities. Neither the non-executive members of the Board of Directors, nor the Statutory Auditors receive any variable compensation.

As already mentioned, neither the Chief Executive Officer nor the General Manager participated into the 2019 annual incentive scheme.

The positive performance achieved in 2019 allowed the payout of the incentives foreseen within the 2019 Group Incentive System, as well as the full payout of the deferred amounts which were subject to verification of access conditions as at December 31, 2019.

Information on the investments held by the members of the administrative and auditing bodies, by general managers and by other executives with strategic responsibilities

Table 1 and Table 2, drafted in compliance with schedule 7-ter, provide the shareholdings in UniCredit or its controlled/ associated companies held, respectively, by the members of the administrative/auditing bodies and by the General Manager as well as by other executives with strategic responsibilities.
