4. Permanent and stand-in members of the Statutory Board of Auditors are appointed in keeping with lists submitted by legitimate parties in which candidates must be listed by a progressive number. Lists must be divided in two directories, containing respectively up to five candidates for the seat as permanent Auditor and up to four candidates for the seat as stand-in Auditor. At least the first two candidates for the seat as permanent Auditor and at least the first candidate for the seat as stand-in Auditor given in the respective directories must be listed in the Rolls of Auditors and must have carried out the activity as Statutory accounting Auditor as envisaged by paragraph 3. Each directory for the appointment as permanent Auditor and stand-in Auditor must present a number of candidates belonging to the least represented gender such as to ensure, within the directory itself, the abidance by the balance of genders at least in the minimum quantity established by the provisions, also of a regulatory nature, in being. No candidate may appear in more than one list, or shall otherwise be disqualified.

5. The lists must, under penalty of forfeiture, be submitted to the Registered Office or the Head Office no later than on the twenty-fifth day prior to the date of the Shareholders' Meeting, and are made available to the public at the Registered Office, on the Company's web site and through other channels provided for under prevailing laws, at least twenty-one days prior to the date of the Shareholders' Meeting. The right to deposit the lists lies with legitimate parties that, by themselves or together with others, represent at least 0.5% of ordinary share capital bearing voting rights for the General Meeting of Shareholders. Minority shareholders who have no connecting relationship with the shareholders concerned shall continue to have the option to take advantage of an extension in the deadline to present lists in those instances and using those procedures specified by current regulatory and other provisions.

6. The ownership of the minimum number of shares required for filing lists is calculated with regard to the shares registered to each individual shareholder, or to multiple shareholders combined, on the day on which the lists are submitted to the Company. Ownership of the number of shares necessary for filing lists must be proven in accordance with the prevailing laws; such proof can even be submitted to the Company during or after the time when the lists are filed provided that this occurs prior to the deadline for when the Company must make the lists public.

7. Along with the lists presented by legitimate parties, the latter must also submit, within the deadline indicated in paragraph 5 above, any further document or declaration required by the provisions, also of a regulatory nature, from time to time in being. Any list that does not meet the above requirements shall be deemed to have not been filed.

8. Every person entitled to vote may vote in respect of one list only.

9. With regard to the appointment of permanent auditors, the votes obtained by each list are subsequently divided by one, two, three, four and five. The ratios thus obtained are allocated progressively to the candidates in the first sub-list of each list in the order foreseen by the list concerned, and are arranged in just the one schedule in descending order. Except where provided for otherwise in the next paragraph, those obtaining the highest ratios are elected as permanent Auditors.

10. Given the above, the first three candidates of the list obtaining the majority of the votes are in any case elected. Should four or more candidates from one list obtain the highest ratios, only the first three however shall be elected. In any case the fourth and fifth elected persons shall be those who obtain the highest ratios out of those belonging to the lists of minority.

11. The candidate who has obtained the highest share of votes among the candidates belonging to the list that obtained the highest number of votes among the minority lists, as defined by the current provisions (also regulatory) in force, shall be elected by the Shareholders' Meeting as Chairman of the Board of Statutory Auditors. In case of a tie between lists, the candidate from the list presented by the legitimate parties with a larger stake or, subordinately, by the higher number of parties, shall be elected Chairman of the Board of Statutory Auditors. In case of a further tie, the more senior candidate in terms of age shall be appointed Chairman. If the Chairman has not been elected on the basis of the above mentioned criteria, the Shareholders' Meeting shall appoint directly with relative majority.

12. With regard to the appointment of stand-in Auditors, the votes obtained by each list are subsequently divided by one, two, three and four. The ratios thus obtained are allocated progressively to the candidates in the second sub-list of each list in the order foreseen by the list concerned, and are arranged in just the one schedule in descending order. Except where provided for otherwise in the next paragraph, those obtaining the highest ratios are elected as stand-in Auditors.

13. The above remaining firm, the first two candidates of the list that has obtained the majority of the votes are in any case elected. Should three or more candidates of one list obtain the highest ratios, the first two of them shall in any case be elected. In whatever case the third and fourth elected persons shall be those who, amongst the persons belonging to the minority lists, have obtained the highest ratios.

14. In the event of two or more ratios amongst candidates as permanent Auditor and/or stand-in Auditor being level, the candidate from the list that has obtained the highest number of votes shall take priority – and if the number votes is equal, the oldest candidate shall then take priority.

15. Should the minimum number of permanent Auditors or of stand-in Auditors necessary, belonging to the least represented gender, not be elected, the Auditor of the most voted list with the highest progressive number and belonging to the most represented gender is substituted by the following candidate belonging to the least represented gender coming from the same list. Notwithstanding the above, should the minimum number of Auditors belonging to the least represented gender continue to lack, the substitution criterion will apply, if possible, to the minority lists progressively most voted from which elected candidates have been drawn, or will again apply to the most voted list. If, notwithstanding everything, the minimum number of Auditors belonging to the less represented gender continues to be missing, the Shareholders' Meeting will resolve by a relative majority. In such case the substitutions will be effected beginning from the progressively most voted lists and from the candidates having the lowest ratio.

16. If in accordance with the deadlines and procedures set forth in the previous paragraphs only one list, or no list, has been presented, or the lists do not contain the required number of candidates to be elected, the Shareholders' Meeting shall pass a resolution for appointment or addition by relative majority. If there is a tie vote between several candidates, a run-off election shall be held between them with a further vote of the Shareholders' Meeting. The Shareholders' Meeting must in any case ensure the balance between the genders envisaged by the provisions - also of a regulatory nature - in being.

17. In the event of a permanent Auditor dying or leaving office or where his term in office is lapsed or he is not available for any other reason, he shall be replaced by the stand-in Auditor on the same list indicated by the outgoing Auditor according to the progressive order of the list, in abidance by the requirement concerning the minimum number of members registered in the Rolls of Auditors having undertaken the legal auditing of accounts according to paragraph 3 and by the principle of balance between the genders. If this is not possible, the departing Auditor shall be replaced by the stand-in Auditor having the required characteristics coming progressively from the most voted of the minority lists, according to the progressive order of listing. Where Auditors are not appointed by the list-based system, the stand-in Auditor provided for by legal provisions shall take over. Whenever the Chairman is substituted, the stand-in Auditor taking his place also takes on the Chairman's seat. The Shareholders' Meeting envisaged by art. 2401, sub-sec. 1, of the Italian Civil Code, nominates or provides for the substitution of the Statutory Auditors abiding by the principle regarding the compulsory presence of the minorities and the balance between the genders. Where the appointment of the stand-in Auditor *in lieu* of the Auditor is not confirmed by the Shareholders' Meeting, he shall return to his position as stand-in Auditor.

18. For issues relating to the duties, powers and authorities assigned to Statutory Auditors, the determination of their remuneration and the length of their term in office, the prevailing laws shall apply.

19. In order to properly perform its tasks, and in particular to fulfill its obligation to promptly inform the Bank of Italy, and where provided, other supervisory authorities of irregularities in the management of the bank or violations of the law, the Statutory Board of Auditors is vested with all the powers provided for by prevailing laws and regulations.

20. The Statutory Board of Auditors performs the roles and functions required of it by the prevailing laws. 23. Whenever the Chairman of Statutory Board of Auditors deems it opportune, meetings of the Statutory Board of Auditors may be held by using means of telecommunication, providing that each of the attendees may be identified by all the others and that each of the attendees is in a position to intervene real time during the discussion of the topics being examined, as well as receive, transmit and view documents.
