

Governance organisational structure

The information in this section refers to the date of 10 February 2021 (approval date by the Board of Directors of the Report and Accounts 2020 - General Meeting Draft of UniCredit S.p.A. and of the Consolidated Report and Accounts 2020 of UniCredit group).

Introduction

UniCredit's overall corporate governance framework, i.e. the system of rules and procedures that its corporate bodies refer to steer the principles of their behaviour and fulfil their various responsibilities towards the Group's stakeholders, has been defined in compliance with current national and European provisions as well as the recommendations contained in the Italian Corporate Governance Code for listed companies (hereinafter, also the "Code"). The Code, according to the major international markets' experience, identifies the corporate governance standards and best practices for Italian listed companies recommended by the Italian Corporate Governance Committee, to be applied according to the "comply or explain" principle that requires the explanation in the corporate governance report of the reasons of failure to comply with one or more recommendations contained in its principles or criteria.

Moreover, UniCredit is subject to the provisions contained in the Supervisory Regulations issued by Banca d'Italia and, in detail, with regards to corporate governance issues, to the Supervisory Regulations on banks' corporate governance (Circular No.285/2013, Part I, Title IV, Chapter 1). In compliance with the aforementioned Supervisory Regulations UniCredit, as significant bank subject to the direct prudential supervision of the ECB, as well as a listed bank, is qualifiable as bank of a major size or operational complexity and consequently complies with the provisions applicable to such kind of bank.

Since 2001, UniCredit has adopted the Code which is available to the public on the Corporate Governance Committee website (<http://www.borsaitaliana.it/comitato-corporate-governance/homepage/homepage.en.htm>).

UniCredit yearly draws up a corporate governance report meant for its shareholders, institutional and non-institutional investors and the market. The report supplies suitable information on the UniCredit own corporate governance system.

Consistently with the relevant legal and regulatory obligations, as well as in line with the provisions of the Code, in its edition as updated in July 2018, the 2020 Report on corporate governance and ownership structure has been drafted, in accordance with Section 123/bis of the Legislative Decree No.58 dated 24 February 1998 (hereinafter, also the "TUF").

The Report on corporate governance and ownership structure, approved by the Board of Directors in its meeting held on 5 March 2021, will be published at the same time as the Report on Operations on the Issuer's website (<https://www.unicreditgroup.eu/en/governance/our-governance-system.html>). For further information on the UniCredit corporate governance system see the first of the above documents.

UniCredit, as issuer of shares also listed on the Frankfurt and Warsaw regulated markets, also fulfils the legal and regulatory obligations relating to listings on said markets as well as the provisions on corporate governance contained in the Polish Corporate Governance Code issued by the Warsaw Stock Exchange.

Since its establishment, UniCredit has adopted the so-called traditional management and control system.

The distinctive feature of this model is that the strategic supervision and the management of the company, the overseeing of its management and the legal accounting supervision are separated. In particular, the Board of Directors is solely responsible for the strategic supervision and the management of the Company, while the Board of Statutory Auditors is entrusted with supervising its management. Legal accounting supervision is assigned to an external audit firm by the Shareholders' Meeting on the basis of a proposal from the Board of Statutory Auditors, in compliance with relevant current laws.

The reasons behind the choice of such governance model are that it has proven capable of managing the business efficiently, while ensuring effective controls. That is, it creates the conditions for UniCredit S.p.A. to be able to guarantee the sound and prudent management of a complex and global banking group, such as the UniCredit group.

Moreover, the traditional management ascribes certain aspects to the sole responsibility of the Shareholders' Meeting, creating in this way an opportunity for dialogue and debate between shareholders and management about the fundamental elements of governance. These include the appointment and dismissal of directors, the appointment of the Board of Statutory Auditors members, the assignment of the mandate for the external auditing to an audit firm, the setting of the related remuneration, as well as the approval of the financial statements, the profit allocations, the resolutions on the remuneration and incentive policies and practices provided for by current provisions and the criteria to determine the compensation to be granted in the event of early termination of employment or early retirement from office.

Shareholders' Meeting

The Ordinary Shareholders' Meeting of UniCredit is convened at least once a year within 180 days of the end of the financial year, in order to resolve upon the issues that current laws and the Articles of Association make it responsible for. An Extraordinary Shareholders' Meeting is convened, instead, whenever it is necessary to resolve upon any of the matters that are exclusively attributed to it by current laws.

The Agenda of the Shareholders' Meeting is established pursuant to legal requirements and to the UniCredit Articles of Association by whoever exercises the power to call a Meeting.

The Ordinary Shareholders' Meeting has adopted Regulations governing Ordinary and Extraordinary Meetings in a functional and regular way. The Regulations are available on the Governance/Shareholders Section of the UniCredit website.

Board of Directors

The Board of Directors of UniCredit may be comprised of between a minimum of 9 up to a maximum of 24 members. As at the approval date of this document, UniCredit has 14 Directors.

Their term in office is 3 financial years, unless a shorter term is established at the time they are appointed, and ends on the date of the Shareholders' Meeting called upon to approve the financial statements relating to the latest year in which they were in office.

The term in office of the current Board of Directors, which was appointed by the Shareholders' Meeting of 12 April 2018, ends on 15 April 2021, the date of the Shareholders' Meeting called upon to approve the 2020 financial statements.

According to the current legal and regulatory provisions, the UniCredit Directors shall be appointed on the basis of a proportional representation mechanism ("*voto di lista*") abiding by the membership criteria concerning, inter alia, minority and independent Directors, as well as the balance between genders, pursuant to the procedures specified in Clause 20 of the UniCredit Articles of Association. The legitimate parties who are entitled to submit slates are the Board of Directors and the shareholders, who individually or collectively with others represent at least 0.5% of share capital in the form of ordinary shares with voting rights at the ordinary Shareholders' Meetings.

The UniCredit Articles of Association envisage that, regardless of the total number of the Board members, two Directors shall be appointed from the second slate receiving the highest votes, without any connection with the shareholders who, even jointly, filed, or voted for, the slate first by number of votes, to ensure to the minority shareholders a greater presence on the Board of Directors.

The Board establishes its qualitative and quantitative composition deemed to be optimal for the effective fulfillment of the duties and responsibilities entrusted to the Board of Directors by law, by the Supervisory Provisions and by the UniCredit Articles of Association, according to the current national and European provisions applicable on such topics, also concerning the time commitment and the limits upon the maximum number of offices that UniCredit Directors may hold.

Moreover, Directors must take into account the provisions of Section 36 of Law Decree No.201/2011 ("ban on interlocking directorships"), approved as statute by Law No.214/2011, which establishes that holders of a seat in managerial, supervisory and controlling bodies, as well as top management officers in companies or group of companies active in banking, insurance and financial markets are forbidden to hold similar offices, or to exercise similar duties, in competing companies or groups of companies.

The function and competencies of the Board of Directors are set forth in the UniCredit Corporate Bodies and Committees Regulation, available on the Governance/Corporate Bodies Section of the UniCredit website.

Governance organisational structure

Independence of Directors

In compliance with the criteria established by the Code and the UniCredit Articles of Association, as well as the provisions in force time to time, the Directors' independence shall be assessed by the Board of Directors every time the Board is renewed, as well as on an annual basis and whenever a person is appointed as Director, on the basis of the information provided by the Director him/herself or, however, available to the Company. The outcome of the assessments of the Board shall be notified after the appointment, through a press release disclosed to the market and, subsequently, within the Corporate Governance Report.

With reference to the Board of Directors' members, the Corporate Governance, Nomination and Sustainability Committee and the Board of Directors, the latter at the annual verification carried out during its meeting held on 7 July 2020, as well as at the verification of individual Directors (5 March, 5 May and 4 November 2020), carried out the assessment of the Directors' independence requirements based on the statements made by the parties concerned and on the information available to the Company.

With specific reference to the independence requirements laid down by the Code and the Articles of Association, information relating to the existence of direct or indirect relationships (credit relationships, business/professional relationships and employee relationships, as well as significant offices held) that the Directors and their other connected subjects may have with UniCredit and Group companies was taken into account.

In order to assess the potential significance of the abovementioned relationships, the Board of Directors has decided not to proceed with merely identifying predefined economic targets, which if simply exceeded could automatically indicate that independence has been compromised, as such check requires an overall assessment of both objective and subjective aspects. Therefore, for this purpose, the following criteria should be taken into account: (i) the nature and characteristics of the relationship; (ii) the amount in absolute and relative terms of the transactions; and (iii) the subjective profile of the relationship.

More specifically, when assessing the significance of the relationship, the following information, where available, is considered by the Board:

- as far as credit relations are concerned, the amount in absolute value of the credit granted, its weighting in relation to the system and, where appropriate, the economic and financial situation of the borrower;
- as far as professional/commercial relations are concerned, the characteristics of the transaction/relationship, the amount of the consideration and, where appropriate, the economic and financial situation of the counterparty;
- as far as offices held in Group companies are concerned, the total amount of any additional remunerations.

In all the above cases, all the parties involved (Director or family member; UniCredit or Group company) and, for relationships with companies/entities, the related kind of "connection" (post held/control participation) with the Director or the family member were taken into account.

As a result of such assessments and on the basis of the declaration provided by the persons concerned, the number of independent Directors according to the provisions of the Code is equal to 11.

According to the Code, the Board of Statutory Auditors, in its meetings held on 10 March, 13 July and 10 November 2020, ascertained, with a positive outcome, the proper application of the criteria and procedures adopted by the Board of Directors to assess the independence of its own members.

Committees of the Board of Directors

In order to foster an efficient information and advisory system to enable the Board of Directors better to assess the topics for which it is responsible, also in accordance with the provisions of the Code, the Board has established four Committees, vested with research, advisory and proposal-making powers diversified by sector of competence: the Internal Controls & Risks Committee, the Corporate Governance, Nomination and Sustainability Committee, the Remuneration Committee and the Related-Parties Committee. Their duties are undertaken based on terms of reference and procedures set forth by the Board.

The Committees consist, as a rule, of a number of members from 3 up to 5. More specifically, the Internal Controls & Risks Committee, the Corporate Governance, Nomination and Sustainability Committee and the Remuneration Committee, set up in compliance with the provisions of the Banca d'Italia Supervisory Regulations on banks' corporate governance, envisaging 3 specialist committees, one on appointments, one on risks and one on remuneration, are composed of non-executives Directors, mostly independent pursuant to the Articles of Association. Such Committees must be differentiated from each other by at least one member and, if a Director elected by the minorities is present, that Director is a member of at least one Committee. The Chairman of each Committee shall be chosen from among the independent members. The Related-Parties Committee, set up for overseeing issues concerning transactions with related and associated parties, in compliance with the CONSOB regulatory provisions and the Banca d'Italia Supervisory Regulations, consists only of independent Directors pursuant to the Code.

The Corporate Governance, Nomination and Sustainability Committee also supervises the sustainability issues linked to the activity exercised by UniCredit and to the dynamics of the interactions of the latter with all the stakeholders.

None of the functions of one or more specialist Committees on appointments, risks and remuneration envisaged by the Code has been reserved to the Board of Directors. Moreover, none of the abovementioned Committees, per se, performs the multiple functions of two or more committees as envisaged by the Code. The Committee functions have not been allocated amongst the various Committees in a different manner vis-à-vis the provisions of the Code.

The Committee's tasks are coordinated by the Chairman, who exercises all necessary powers for its proper functioning. Each Committee draws up an annual plan of activities to ensure the fulfillment of its tasks. Committee meetings are convened by the Chairman with frequency adequate to the fulfillment of its tasks and plan of activities or when needed or requested in writing, with proper motivation, by at least two members of the Committee. The provisions set out for the Board of Directors' functioning shall apply, as compatible, to the Board Committees.

Committee members have the necessary knowledge, skills and experience to perform the duties assigned to them and ensure that any other corporate positions they hold in other companies or entities (including non-Italian ones) are compatible with their availability and commitment to serve as a Committee member.

At the invitation of each Committee Chairman, the CEO, other Directors, the General Manager (when appointed), the Manager in charge of drafting the company financial reports, as well as personnel belonging to the Company and the Group, may attend Committee meetings on specific Agenda items. Without prejudice to the possibility for the Statutory Auditors to attend the meetings, at the invitation of each Committee Chairman, the Chairman of the Board of Statutory Auditors, or other Auditors designated by the latter, may be called upon to attend Committee meetings. Always at the invitation of each Committee Chairman, personnel or externals appointed in the corporate bodies of the Group's subsidiaries may be called upon to attend Committee meetings.

To perform their duties, Board Committees have access to the financial resources necessary to guarantee their operational independence and, within the limitations of the budget approved by the Board of Directors, may consult independent external experts and invite them to attend meetings; in the event of specific requirements, the relevant budget may be supplemented.

The Chairman of each Committee, at the first available Board of Directors meeting, reports on the activities carried out during the Committee meetings, with the support of specific documentation.

The Board Committees' composition, functions and competencies are set forth in the Corporate Bodies and Committees Regulation, available on the Governance/Corporate bodies Section of the UniCredit website.

In any event, these circumstances must be communicated no later than the day after the Committee Chairman was informed that the majority or all Committee members were not available.

As regards sections a) and b) above, it should be noted that:

- replacements must be provided with all available information in good time before the meeting at which the Committee is called upon to express its opinion regarding the transaction;

Participation Rights

Eligible to attend Shareholders' Meetings are those who hold voting rights and in respect of whom the Company has received, from the broker holding the relevant securities account, the notification within the deadline set forth by applicable law (record date, i.e. seven market trading days before the Shareholders' Meeting date).

Those who hold voting rights may arrange to be represented in the Shareholders' Meeting, in compliance with the provisions of the prevailing law.

UniCredit has always encouraged its shareholders to exercise their participation and voting rights and, for that reason, some time ago it adopted the Regulations governing Shareholders' Meetings to ensure their regular conduct. Said Regulations are available on UniCredit website on the Governance/Shareholders' Meeting Section.
