Annex 1 to 2022 Group Remuneration Policy and Report

Information Tables Pursuant Art. 84-quater “Annual Report - Section II” of the Regulation n° 11971 Issued by Commissione Nazionale per le Società e la Borsa (Consob)

Year 2021

In the following pages a set of tables presents the quantitative information that the Company must provide in compliance with article 84-quater of Consob's Issuers Regulation Nr. 11971 (as lastly modified under resolution no. 21623 of December 10, 2020).

In such regards, please note that the information requested at Section I and at the First Part of Section II of the Compensation Report, to be prepared in compliance with Attachment 3A, Schedule 7-bis of the above-mentioned Regulation, is contained in the "2022 Group Remuneration Policy and Report", of which this document represents an enclosure.

The following set of tables provides the information foreseen by the Second Part of the above-mentioned Section II.

For a deeper understanding of the methodological criteria underlying the information reported in the various tables, reference is made to Annex 3A of the said Consob Regulation.

Here below a brief information on the contents of the various tables:

TABLE 1: Compensation paid to members of the administrative and auditing bodies, to general managers and to other executives with strategic responsibilities

Provides, at an individual level and on an accrual basis, the details of the compensation paid to the members of the Board of Directors, Board of Statutory Auditors and General Managers.

In compliance with Consob Resolution Nr. n. 21623 of 10.12.2020, from 2021 the information regarding "Bonuses and other incentives" is provided on an accrual basis and independently from the fact that amounts are payable or still deferred. This is a different approach from the past, when amounts were reported on an out-of-pocket basis and included both the cash upfront quota of the annual bonus as well as the deferred amounts paid from previous years. For the other executives with strategic responsibilities, the information is provided on an aggregate basis. Please note that the related perimeter – defined by the Board of Directors – has changed during the year, as a result of (i) changes in organizational structures and related appointments linked to the reorganization announced by the Bank on May 12, 2021, and (ii) the new definition of "other executives with strategic responsibilities" approved by the Bank on October 12, 2021, which now includes the members of the "Group Executive Committee" - excluding the "CEO Office" - and the Head of Internal Audit. For the General Manager ad interim, the data are reported pro-rata for the period in which the position was held. The data related to the other executives with strategic responsibilities are reported pro quota and, for comparability purposes, correspond to ca. 11.4 Full Time Equivalents (FTEs).

The overall compensation paid by UniCredit S.p.A. for 2021 to the Board of Directors and to the Board of Statutory Auditors amounts respectively to € 5,166,920 and € 917,465.

The "Fair value of equity compensation" (column 7) does not represent a value actually paid to/gained by the beneficiaries of equity plans, being instead the cost that the Company is booking - on an accrual basis and during the vesting period - in consideration of the provision of incentives based on financial instruments. More details on such plans are provided at the following Table 2 and Table 3A.

The value reported in column 8 ("Severance indemnity for end of office or termination of employment") refers to the amounts that were defined upon termination of the employment relationship of former executives with strategic responsibilities, which took place in compliance with the provisions of the Group's Termination Payments Policy, with deferred payments in cash and shares and subject to malus and claw-back clauses.

TABLE 2: Stock Options assigned to the members of the administrative body, to general managers and other executives with strategic responsibilities

The table is not included because none of the members of the Board of Directors, Board of Statutory Auditors or other managers with strategic responsibilities currently benefit from incentive plans based on stock options. Furthermore, neither the non-executive members of the Board of Directors, nor the members of the Board of Statutory Auditors benefit from any incentive plan, be it based on financial instruments or cash.

TABLE 3A: Incentive plans based on financial instruments other than stock options, in favor of members of the administrative body, general managers and other executives with strategic responsibilities

The table reports the number of shares promised and/or granted in connection with short / long term incentive systems.

With reference to the Group Incentive Systems, the table reports the shares granted / promised in relation to equity deferrals, subject to malus and claw-back clauses. For the plans' features reference is made to the description contained in the Remuneration Report.

The Fair Value represents the cost booked for 2021 in compliance with IFRS2. In such regards it is specified that:

- The value referred to the Chief Executive Officer relates to the 2021 Share Award, for whose characteristics reference should be made to the Remuneration Report, the cost of which was entirely posted in 2021, based on international accounting standards.
- The value referred to the other executives with strategic responsibilities also includes the costs related to the incentives that were kept as "good leavers" by the executives whose employment relationship was terminated during the year and that had to be entirely booked in 2021, based on the international accounting standards.

TABLE 3B: Monetary incentive plans in favor of members of the administrative body, general managers and other executives with strategic responsibilities

Provides the details of all the cash incentives accrued and / or paid during the year in favor of the Chief Executive Officer, the General Manager and the other executives with strategic responsibilities. Neither the non-executive members of the Board of Directors, nor the Statutory Auditors receive any variable compensation.

The Chief Executive Officer did not participate into the 2021 annual incentive scheme nor in other plans providing for a cash payment.

The performance achieved in 2021 allowed, according to the Group Incentive System Rules, for a payout of the 2021 annual bonuses, as well as the full payout of the deferred amounts which were subject to verification of access conditions as at December 31, 2021.

Information on the investments held by the members of the administrative and auditing bodies, by general managers and by other executives with strategic responsibilities

Table 1 and Table 2, drafted in compliance with schedule 7-ter, provide the shareholdings in UniCredit or its controlled/ associated companies held, respectively, by the members of the administrative / auditing bodies as well as by other executives with strategic responsibilities.
