Upon entering the Meeting room, I acknowledged the presence at the Chairman's table of Mr. CESARE BISONI, born in Caslino d'Erba on 1 October 1944, and domiciled for the purposes of the office hereunder in Milan, at 3 Piazza Gae Aulenti, Tower A, the Chairman of the requesting Company, who in such capacity, pursuant to clause 16 of the Articles of Association, assumed the Chair of the Meeting and declared the session open.

The person appearing before me, whose personal identity was known to me, Notary Public, welcomed the Shareholders with the following words:

*" Dear Shareholders,*

*This is my last speech as the Chairman of this extraordinary Bank. My term in office, along with that of the Board, has come to an end. After many gratifying years, I am leaving a deeply changed Group. Today, the Bank is in a solid position, with the best capital levels in its history, and it is ready to tackle the challenges that the entire banking industry will have to face. Thanks to the achievements of Chief Executive Officer Jean Pierre Mustier - who left the Group after nearly five years - and the contribution of everyone who works at UniCredit, the Bank has accomplished an extraordinary turnaround in recent years.*

*Today, the Group can serve at best its customers and the territories in which it operates, also thanks to a growing awareness to sustainability, as the numerous awards received prove. Many initiatives have been adopted and the Bank will continue to develop them in accordance with its key principles of ethics and respect. These factors form the basis of the long-term vision for our business and relations with stakeholders. They also are the guide for our people so that, in their day-to-day activities, they do "the right thing". We don't only want to fund positive change in society, we also want to promote it. At UniCredit, the ways in which results are achieved are as important as the results themselves.*

*The 2020 was especially difficult for everyone. I am extremely*

proud of how swiftly the Bank responded to the coronavirus pandemic in several areas. First and foremost, we prioritised the personal safety of our employees and clients, by taking decisive actions to reduce the risk of the spread of the virus. We also provided a significant support to the front-line organizations, such as hospitals and the civil protection service. At the same time, we rolled out numerous initiatives to support the real economy, leveraging on the expertise gained over time which allowed us to rapidly implement moratoriums and provide governments-backed loans. In this respect, one of the major initiatives activated has been the "UniCredit for Italy", a project that we have rolled out promptly to help get loans into our communities. It includes a wide-ranging package of measures to sustain companies and territories hit by the pandemic.

In recent months, we also learnt of the Regulator's decision to freeze the dividend payments and share buy-back programmes because of the uncertainty about the economic impact of the pandemic crisis and aimed at safeguarding the capacity of banks to support the real economy. More recently, the Regulator pointed towards a reopening. European banks must be perceived as a good investment, to encourage international shareholders to commit capital into the European financial sector, which can use such funding effectively. UniCredit has confirmed its dividend policy and has planned an extraordinary capital distribution in the last quarter of the year, should the conditions recur and subject to the Supervisory Authority authorization.

I am very optimistic about the future of the Group, which is based on solid principles and effective governance processes. In October, we completed the process to select the Chairman designate, co-opting Director Piercarlo Padoan, to whom I reiterate my warmest welcome. I am sure UniCredit will benefit from his extraordinary experience and extensive knowledge of the European and international framework. His co-optation well in advance of the end of my mandate has given Piercarlo the opportunity to learn the Company's dynamics and to exercise a key role in shaping the Board list which is today submitted to the AGM. Together, we also launched and completed the process to identify the new Chief Executive Officer designate, Andrea Orcel, to whom I also extend my warmest welcome. Andrea has an impressive track record combining talent and technology in the business transformation of financial organizations across multiple geographies. and I am sure that he will be able to lead the Bank to optimally face the challenges ahead.

Over the past years, I have worked closely with many people at UniCredit, giving me a real chance to appreciate their extraordinary skills and dedication. Their contribution will allow UniCredit to exploit its enormous potential which comes from being one of the very few true pan-European banks, with a diversified presence that not only makes the Bank strong, but also ensures it can offer tangible added value to its stakeholders.

*In the challenging economic context in which we operate, clients' needs are evolving. These changes directly impact the banking business, forcing it to move forward. For UniCredit, innovating is about reacting promptly to the changes that are happening, as we firmly believe this is the road to long-term sustainability and the best way to improve our interaction with clients. Digital transformation plays a key role. On the one hand, it means we can swiftly respond to the growing demand for the simplicity and rapid actions our customers want; on the other hand, it means we can optimise company processes. For us, innovation is a fundamental tool we will continue to invest in.*

*The Group will continue to grow and strengthen the client franchise, transform its service model and optimise productivity, with disciplined risk management and controls as well as rigorous capital and balance sheet management. UniCredit will confirm itself a solid "pan-European commercial bank with local roots" supporting families and companies in their growth and development, even internationally. This trait has always characterized the Group and we plan to keep it as a key feature in driving the change.*

*Thank you."*

Having completed his introductory remarks, the Chairman announced that, in compliance with the provisions of Decree Law no. 18/2020 (the so-called "Cura Italia Decree"), ratified with Law no. 27/2020, that introduced certain exceptional measures related to the COVID-19 emergency applicable to the Shareholders' Meetings of listed companies, UniCredit S.p.A. had decided that in order to minimise the risks associated with the ongoing health emergency, it would make use of the right - established by the above-mentioned legislation - to provide that shareholders participating in the Shareholders' Meeting should do so exclusively through the Designated Proxy Holder referred to in article 135-*undecies* of the Consolidated Law on Finance (TUF), without shareholders attending in person.

The notice of call of the Shareholders' Meeting containing the agenda and acknowledging the procedures herein referred to was published on the Company's website and made available to the public on 5 March 2021, in accordance with the procedures provided for by current laws and regulations.

The Chairman asked me, Notary Public, pursuant to clause 16 of the Articles of Association and section 2375 of the Italian Civil Code, to draft the minutes of the ordinary and extraordinary sessions of the Meeting, in the form of a public deed.

The Chairman advised that:

- besides himself, the Chairman, no other member of the Board of Directors was present;
- the Chairman of the Board of Statutory Auditors, Marco Giuseppe Maria Rigotti, was present, whilst Standing Statutory Auditors Antonella Bientinesi, Angelo Rocco Bonissoni, Benedetta Navarra and Guido Paolucci had forwarded apologies.

Also in attendance were:

- Mr. Enrico Monicelli, representing Computershare S.p.A., the company chosen by UniCredit as the Designated Proxy Holder;
- Mr. Gianpaolo Alessandro, Head of Group Legal and Secretary to the Board of Directors of UniCredit S.p.A.;
- Mr. Manlio Stefano Nuzzo, Head of Group Corporate Affairs of UniCredit S.p.A.

The Chairman then stated that the company's share capital currently amounted to €21,133,469,082.48 and was represented by 2,243,550,408 shares with voting rights.

The Chairman also indicated that:

- the compliance of proxies with the current provisions had been verified;

- 1,356,691,153 shares with voting rights were currently represented through the Designated Proxy Holder - equal to 60.470723% of the share capital - for 2,001 shareholders who had given their proxy to the aforesaid Designated Proxy Holder.

The Meeting was thus duly established and able to pass valid resolutions on the items on the Agenda in a single call in ordinary session, in accordance with the law and the Articles of Association.

The Chairman then stated that:

- based on the contents of the Register of Shareholders, as updated for notices received pursuant to the law and for checks carried out for the purposes of admission to voting, the Register of Shareholders currently reported a total of approx. 287,000 shareholders;

- in accordance with article 120 of the Consolidated Law on Finance (*TUF*), the following shareholders directly or indirectly held more than 3% of the share capital represented by shares with voting rights at this Shareholders' Meeting:

- . BLACKROCK GROUP - 115,718,395 shares equal to 5.158% of the share capital,

- . CAPITAL RESEARCH and MANAGEMENT COMPANY - 112,363,870 shares equal to 5.008% of the share capital, including 78,373,584 shares equal to 3.493% of the share capital on behalf of the EuroPacific Growth Fund,

The Chairman advised that proxies had been received by Computershare S.p.A. in its capacity as the Designated Proxy Holder through the specific web application available on the Company's website, by e-mail at [unicredit@pecserviziotitoli.it](mailto:unicredit@pecserviziotitoli.it) and by fax at no. +39 011 0923202, and had been found to have been validly granted in accordance with current regulations.

He indicated that the results of the voting on all items on the agenda of this Meeting, both in ordinary and extraordinary session, would be provided by Computershare S.p.A. in its capacity

as manager of Meeting proceedings and that the voting system would generate the necessary documents to be attached to the minutes and in particular:

- lists of shareholders present by proxy;
- separate lists for the different types of vote cast.

He then stated the "Report on Corporate Governance and Ownership" as provided for by article 123-*bis* of the Consolidated Law on Finance (*TUF*) and the "Integrated Report" drafted pursuant to Legislative Decree no. 254/2016, had been made available to shareholders and the market.

He announced that the Global Policy concerning internal policies on the control of risk activities and conflicts of interest involving associated parties had been published on the Company's website, in accordance with the Bank of Italy's Prudential Supervisory Provisions for Banks.

The Chairman noted that, pursuant to and for the purposes set forth in article 3, paragraph 2 of the Meeting Regulations, the proceedings of the Shareholders' Meeting would be audio recorded in order to draft the minutes.

He added that shareholders Francesco Santoro, Marcello Fagioli, Marco Bava, Re:Common, Tommaso Marino, Gianluca Fiorentini and Bluebell Capital Partners Limited had exercised their right to submit questions about matters on the Meeting agenda pursuant to article 127-*ter* of the Consolidated Law on Finance (*TUF*) in the manner and under the terms set forth in the notice of call.

In this regard, he reported that on 12 April 2021 the Company had published answers to the above questions on its website.

The Chairman then indicated that one shareholder acting individually (Marco Bava, owner of 1 share) and various shareholders acting jointly (Elman Rosania, Francesco Saverio Telesca, Alfredo Sonnessa, Associazione Liberiamo la Basilicata, Comitato Aria Pulita Basilicata onlus, holding a combined total of 7 shares) had sent the Bank two separate proposals for liability action against the directors to be submitted to the Shareholders' Meeting. These proposals were assessed and determined to not be acceptable pursuant to section 2393 of the Italian Civil Code; consequently, they were not published and would not be put to a vote.

The Chairman handed me, Notary Public, the disclosure relating to the obligations of companies appointed to audit corporate financial statements as per CONSOB communication no. 96003558 of 18 April 1996.

This information would be attached to these minutes as letter "C". The Chairman then moved on to discuss the agenda of the Shareholders' Meeting in ordinary session, specifying that, also in accordance with the practice adopted in previous Shareholders' Meetings, he would omit a full reading of the relevant documents (including the Financial Statements) and the related Reports since all these documents had been made available to the public according to the methods and deadlines established by law.

With reference to item 1 on the agenda in ordinary session relating to the approval of the 2020 Financial Statements, the Chairman recalled that the Report prepared by the Independent Auditors Deloitte & Touche S.p.A. and the Report by the Board of Statutory Auditors had been duly published in accordance with the law, together with the documentation pertaining to the financial statements, and therefore would not be read out.

The Chairman moved on to the voting on the first item on the agenda in ordinary session concerning the approval of the financial statements as at 31 December 2020.

Assuming the shareholders had read and agreed with the content and arguments presented in the Directors' Report, the Chairman invited the Meeting to pass the following resolution, which he read out in full and is worded as follows:

Board of Directors', then we ask you to approve the following resolutions:*

*- Appoint the Directors."*

The Chairman recalled that the outgoing Board of Directors had chosen to avail itself of the faculty established by the Articles of Association to submit to shareholders its own list of candidates, whose individual characteristics and requirements were published on the Company's website on 8 March 2021. In addition to the Board list (marked as List no. 1), there was also

another list (marked as List no. 2) that had been submitted by a group of funds and contained 2 candidates, Ms. Francesca Tondi and Mr. Vincenzo Cariello, whose CVs had been published on the Company's website along with the documentation related to that List 2.

For both lists, he indicated that they had been submitted, filed and published in accordance with the deadlines and methods established by current provisions and the Articles of Association. On this matter, he noted that - in accordance with the Articles of Association - as many Directors as the number of directors to be elected minus two would be taken from the list that obtained the majority of votes cast, with those names taken in the progressive order in which they were listed on the list itself; the remaining two Directors would come from the minority list. Should the list that obtained the majority of votes cast not have enough candidates to ensure the required number of Directors to be elected, then all of the candidates on that list would be elected with the remaining directors coming from the minority list.

He noted that the duration of the term in office for Directors was set by clause 20 of the Articles of Association as three operating years.

The Chairman observed that the quorum he had announced at the beginning of the meeting had remained unchanged.

Whereupon the Chairman asked the representative of Computershare S.p.A. to provide the results of the vote, which he then read out:

- 296,537 not voting, corresponding to 0.021857% of the share capital present and entitled to vote and 0.013217% of the ordinary share capital;

with the total votes accounted for amounting to 1,356,685,617 shares, representing 100% of the shares admitted to the vote.

Pursuant to article 135-*undecies* of the Consolidated Law on Finance (*TUF*), 5,536 shares, corresponding to 0.000408% of the share capital represented in the room, were not included in the calculation of the majority and the capital required to approve the aforesaid resolution.

Therefore, the Chairman announced that, in compliance with the provisions of law and the Articles of Association, the following

had been elected:

On this matter, the Chairman indicated that, by the deadline set in the notice of call, the candidacy of Mr. *Ciro Di Carluccio* for the role of substitute Statutory Auditor had been presented by the same funds that submitted List no. 2 for the Board renewal. The Chairman thus put the candidacy of Mr. *Ciro Di Carluccio* for the role of substitute Statutory Auditor to the vote.

The meeting was duly attended and valid, in extraordinary session, to resolve on the items on the agenda pursuant to the law and the Articles of Association.

The Chairman advised that, having been informed beforehand about the proposals submitted to today's Extraordinary Shareholders' Meeting for approval and the resulting amendments to the Articles of Association, the Supervisory Authority had issued its own assessment pursuant to article 56 of Legislative Decree no. 385/93 (Consolidated Law on Banking), on 18 March 2021 for the proposals in items 1 and 2, and on 12 April 2021 for the proposal in item 3.

The details of the votes cast, highlighting the shareholders who had voted against the motion, abstained or did not vote, and the relevant number of the shares owned, were available and would be annexed to the Meeting minutes.

The Chairman moved on to the third item on the agenda in extraordinary session concerning the cancellation of treasury shares with no reduction of share capital and the consequent amendment to clause 5 of the Articles of Association.

Assuming the shareholders had read and agreed with the content and arguments presented in the available Directors' Report, the Chairman invited the Meeting to pass the following resolution, which he asked me, Notary Public, to read out in full:

*"Having acknowledged the proposal made by the Board of Directors, the ordinary shareholders' meeting of UniCredit S.p.A., having evaluated the Explanatory Report of the Board of Directors drafted pursuant to Article 125-ter of Legislative Decree 58 dated 24 February 1998 and Article 72 of the Regulation adopted by CONSOB with Resolution No. 11971 dated 14 May 1999 and in compliance with and according to the proposal contained therein;*

*resolves:*

*1. to cancel any UniCredit treasury shares that will be acquired in accordance with this shareholders' meeting's authorizations resolved in ordinary session, as well as the additional UniCredit ordinary shares held in the Company's portfolio as of the date of this report up to a maximum of UniCredit ordinary shares in total not exceeding no. 140,004,760 ordinary shares of the Company, and to delegate to the Board of Directors, with the power to sub-delegate to the Chairman and the Chief Executive Officer, either jointly or severally, (i) to determine the effective number of treasury shares to be cancelled in accordance with the purposes*

set forth in the above-mentioned explanatory report of the Board of Directors; and (ii) to carry out such cancellation in more transactions or in a single transaction, depending on the procedures which will be decided by the Board of Directors, in any case no later than the first date between: (a) the date of the dividend distribution, if any, for the year ending on 31 December 2021 and (b) 31 July 2022, and to carry out any action necessary or appropriate for this purpose;

2. to proceed with the above-mentioned cancellation without recording any profit or loss in the income statement and without any impact on the net equity of the Company, without prejudice to the amount of the share capital, with a consequent automatic increase in their "accounting par value" of the shares issued by the Company;

3. to insert, as a result of the resolutions adopted in points 1 and 2 above, a new final paragraph in clause 5 of the Articles of Association with the following text:

"The Extraordinary Shareholders' Meeting held on 15 April 2021 approved the cancellation of maximum no. 140,004,760 UniCredit treasury shares, granting delegation to the Board of Directors, with the power to sub-delegate to the Chairman and the Chief Executive Officer, either jointly or severally, to carry out such cancellation, in one or more transactions, within the first date between (a) the date of the dividend distribution, if any, for the year ending on 31 December 2021 and (b) 31 July 2022, to amend accordingly the number of shares indicated in paragraph 1 of this clause, thereby reducing it for the shares effectively cancelled, and to proceed, once the cancellation transactions have been completed, with the repeal of this paragraph."

granting delegation to the Board of Directors, with the power to sub-delegate to the Chairman and the Chief Executive Officer, either jointly or severally, to carry out, following the completion of the cancellation transactions referred to in points 1 and 2, the repeal of this new paragraph together with the implementation of the amendment to the Articles of Association referred to in point 4 below;

4. to approve, as of now, following the execution of the cancellation of treasury shares referred to in points 1 and 2 above, the amendment of clause 5, paragraph 1, of the Articles of Association as regards to the number of shares into which the share capital of UniCredit S.p.A. is divided, indicating in the same paragraph the number of shares that will actually exist as a result of the execution of this cancellation and to grant to the Board of Directors with the power to sub-delegate to the Chairman and the Chief Executive Officer, either jointly or severally, to amend the above-mentioned provision of the Articles of Association by updating the number of such shares and to take any necessary or appropriate action in this regard;

5. to grant the Board of Directors and, on its behalf, the Chairman of the Board of Directors and the Chief Executive Officer, either

*jointly or severally and with the power of sub-delegation to the Company's Executive Personnel, with all appropriate powers to: (i) implement the above resolutions in accordance with the law; (ii) accept or introduce into the same any amendments or additions (which do not alter the substance of the resolutions adopted) which are required for filing with the Companies' Register or by the Authorities or necessary and/or appropriate for the implementation of laws and regulations; (iii) file and register, in accordance with the law, with an explicit and advance declaration of approval and ratification, the resolutions adopted and the text of the Articles of Association updated as per the above".*

The Chairman observed that the quorum he had announced at the beginning of the meeting had remained unchanged.
