- 2021 Group Incentive System, as set out in the related Directors' report and approved by the Shareholders' Meeting held in ordinary session on 15 April 2021,

(hereinafter also, collectively, the "**Compensation Plans**" and, each of them, the "**Compensation Plan**").

This proposal has been formulated pursuant to and to the effects of Article 114-*bis* of the Italian Consolidated Financial Act.

Together with this Directors' report, information documents relating to each Compensation Plan prepared pursuant to Article 84-*bis* of the Regulation adopted by CONSOB with Resolution No. 11971 dated 14 May 1999 (the "**Issuers' Regulation**") and Scheme No. 7 of the Annex 3A of the Issuers' Regulation, as amended to reflect the proposal set out in this Directors' report, will be made available to the public in accordance with the applicable law and to which reference is made for a detailed description of the Compensation Plans described in this report.

1. Reasons for the amendments to the Compensation Plans

As illustrated in the relevant information documents and Directors' reports, the method for executing the Compensation Plans was initially identified, on the respective dates of approval, in the granting to the Board of Directors, in compliance with art. 2443 of the Italian Civil Code, of the power to carry out a free capital increase of UniCredit S.p.A. ("**UniCredit**" or the "**Company**"), on one or more transactions, pursuant to art. 2349 of the Italian Civil Code.

These delegations of the power to carry out a free capital increase are registered, in compliance with applicable laws, in the UniCredit's Articles of Association available on the Company's website (HOME > Governance > Our governance system > Articles of Association and Code of Ethics).

Without prejudice to the possibility, envisaged by the respective regulations of the Compensation Plans, to assign the variable remuneration in cash (in lieu of the assignment of UniCredit ordinary shares), the Board of Directors proposes to amend the Compensation Plans in order to envisage that UniCredit ordinary shares to be assigned to the beneficiaries of the Compensation Plans may result, alternatively or in combination, from (i) the exercise by the Board of Directors of the above powers to carry out a free capital increase or (ii) the use of treasury shares from time to time held in the portfolio and intended for this purpose, including any UniCredit treasury shares purchased on the market in execution of any authorisation resolved by the Shareholders' Meeting.

The possibility of using treasury shares for the regulation of compensation plans is market practice. This amendment will allow the Company to continue to incentivise UniCredit Group Personnel, while limiting dilution for UniCredit Shareholders.

In conclusion, it should be noted that the means of settlement of the Compensation Plans will be determined by the Board of Directors from time to time on the basis of the best interests of the Company and in accordance with the provisions of the relevant Compensation Plans.

2. Description of the amendments to the Compensation Plans

In order to facilitate the identification of the proposed amendments to the Compensation Plans for each Compensation Plan subject to the proposed amendments, it is indicated below on the left-hand column the current text of the provision included in the relevant Directors' report and subject to change, whilst it is indicated on the right-hand column the new text proposed. In particular, with reference to the new text, the amendments are indicated as per the below:

- the words proposed for cancellation are marked in ~~strike through~~; and
- the words proposed for insertion are marked in **bold underlined**.

Any other provisions of the Compensation Plans not mentioned below shall not be changed. For further information on the provisions of the Compensation Plans, please refer to the relevant Directors' reports, as well as to the information documents prepared pursuant to art. 84-bis of the Issuers' Regulations, as amended to reflect these proposed changes.

In relation to the 2017 Group Incentive System and to the 2017-2019 Long Term Incentive Plan (2017-2019 LTI Plan), it is proposed to amend the paragraph "*Shares requested for the 2017 Compensation Systems*" as follows:

In relation to the 2021 Group Incentive System, it is proposed to amend the paragraph "*Shares requested for the 2021 Compensation Systems*" as follows:

CURRENT TEXT	PROPOSED CHANGE
The issue of UniCredit free ordinary shares necessary for the execution of the 2021 System, as in the past, is	The issue allocation of UniCredit free ordinary shares necessary for the execution of the 2021 System will be

object of a delegation of power of attorney to the Board of Directors, in compliance with sect. 2443 of the Civil Code.

Accordingly, the extraordinary session of today's Shareholders' Meeting will be asked to approve the proposal to delegate to the Board of Directors the aforementioned power of attorney, in one or more instances for a maximum period of five years, to carry out a free capital increase, as allowed by section 2349 of the Italian Civil Code, for a maximum amount of Euro 176,024,708 corresponding to up to 18,700,000 UniCredit ordinary shares, to be granted to the beneficiaries of the 2021 System.

Such an amount does not include the last tranche of shares scheduled for 2027 (completion of the 2021 System execution lasts 6 years and in some Group Entities even 7 years, until 2028), since the power to increase the share capital pursuant to Article 2443 of the Italian Civil Code may be exercised for a maximum period of five years from the date of registration of the Shareholders' resolution granting the proxy and therefore, with respect to the date of today's Shareholders' resolution, until 2026. Therefore, for the allocations of the last tranches of shares scheduled for 2027 and 2028 a proposal to supplement the proxy already granted to the Board of Directors in order to complete the execution of the 2021 System will have to be submitted to a future Shareholders' meeting.

Such capital increase will be done using the special reserve known as "Provisions Linked to the Medium Term Incentive System for Group Personnel", which, if needed, may be restored or increased via allocation of profits or a portion of available statutory reserves, formed through the allocation of company profits that shall be identified by the Board of Directors at the moment of shares issuance. In case it will not be feasible to proceed with the issuance (full or partial) of UniCredit ordinary shares to serve the 2021 System (also due to the lack of reserves in the "Provisions Linked to the Medium Term Incentive System for Group Personnel"), an equivalent amount in cash will be allocated to the beneficiaries, determined multiplying the number of shares to be assigned by the arithmetic mean of the official market price of ordinary shares during the month preceding each Board resolution executing the payment of each shares installment after the end of the mandatory retention period.

~~executed: (i) as in the past, is object of a through~~ delegation of power of attorney to the Board of Directors, in compliance with sect. 2443 of the Civil Code and (ii) by means of treasury shares in UniCredit's portfolio, purchased in execution of any authorisations that may be granted by the Shareholders' meeting.

Accordingly, In relation to the delegation to increase the share capital, please note that the extraordinary session of today's Shareholders' Meeting will be asked to approve the proposal resolved to delegate the power of attorney to the Board of Directors ~~the aforementioned power of attorney, in one or~~ pursuant to section 2443 of the Italian Civil Code, to resolve to carry out a free capital increase, also in more instances and for a maximum period of five years, ~~to carry out a free capital increase from the Shareholders' resolution of 15 April 2021, as allowed by~~ pursuant to section 2349 of the Italian Civil Code, for a maximum amount of Euro 176,024,708 corresponding to up to no. 18,700,000 UniCredit ordinary shares, to be granted to the beneficiaries of the 2021 System Personnel of UniCredit, of Group banks and companies holding positions of particular importance for the purposes of achieving the Group's overall objectives.

Such an amount does not include the last tranches of shares scheduled for 2027 and for 2028 (completion of the 2021 System execution lasts 6 years and in some Group Entities even 7 years, until 2028), since the power to increase the share capital pursuant to Article 2443 of the Italian Civil Code may be exercised for a maximum period of five years from the date of registration of the Shareholders' resolution granting the proxy and therefore, with respect to the date of ~~today's~~ Shareholders' resolution of 15 April 2021, until 2026.

~~Therefore, for the allocations of the last tranches of shares scheduled for 2027 and 2028 a proposal to supplement the proxy already granted to the Board of Directors, in order to complete the execution of the 2021 System will have to be submitted to a future Shareholders' meeting.~~

The Company will convene a Shareholders' meeting to request an authorisation to purchase ordinary shares, or a delegation to the Board of Directors to increase the share capital pursuant to art. 2443 of the Civil Code, in time for the assignment of the last tranches of the 2021 System in 2027 and 2028.

~~Such~~ Any capital increase will be done using the special reserve known as "Provisions Linked to the Medium Term Incentive System for Group Personnel", which, if needed, may be restored, or increased via allocation of profits or a portion of available statutory reserves, formed through

	<p>the allocation of company profits that shall be identified by the Board of Directors at the moment of shares issuance.</p> <p>In case it will not be feasible to proceed with the issuance (full or partial) of UniCredit ordinary shares to serve the 2021 System (also due to the lack of reserves in the “Provisions Linked to the Medium Term Incentive System for Group Personnel”), <u>pursuant to said delegation to increase the share capital, or the Company is not authorised to purchases shares for that purpose, or, in general, the Company does not have any ordinary shares available in its portfolio to be allocated to beneficiaries,</u> an equivalent amount in cash will be allocated to the beneficiaries, determined multiplying the number of shares to be assigned by the arithmetic mean of the official market price of ordinary shares during the month preceding each Board resolution executing the payment of each shares installment after the end of the mandatory retention period.]</p>
