Following the results achieved in financial year 2025, with a state net profit of € 10.915 billion (€ 10.579 billion excluding the result of the sustainability test of past tax losses), the Board of Directors approved a shareholder remuneration policy for financial year 2025, disclosed to the market on February 9th, 2026, which provides for total distributions of € 9.500 billion, composed as follows:

- cash dividends of Euro 4.750 billion, of which Euro 2.172 billion will be paid through an interim dividend paid in November 2025 and Euro 2.578 billion submitted for approval to the Shareholders' Meeting in ordinary session today and payment expected in April 2026;
- purchases of UniCredit shares, so-called share buy-back program ("**SBB 2025**") in the amount of Euro 4.750 billion, submitted for approval to the Shareholders' Meeting in ordinary session today .

The shares purchased pursuant to the authorization requested from the Shareholders' Meeting in ordinary session will be subject to cancellation. In this regard, it should be noted that the Board of Directors shall concurrently submit to the Shareholders' Meeting, in extraordinary session, the proposal to cancel the treasury shares purchased, to be executed by the earliest of: (i) the ex-dividend date, if any, for the financial year ending December 31, 2026, and (ii) the date that falls 18 (eighteen) months after the relevant resolution of the Shareholders' Meeting.
