Sell-side analysts with active coverage of UniCredit at the following research firms were asked to submit their latest UniCredit estimates for this consensus collection. Research firms that have recently discontinued UniCredit coverage (some of which may have contributed to prior consensus collection) are not shown on this list. Sell-side analysts who maintain a detailed earnings forecast model are asked to participate in the consensus collection.

Please note that the table below and the downloadable document are a summary of publicly available **opinions, estimates and forecasts made by analysts representing 13 brokers covering UniCredit**. The document contains a summary of median and average consensus estimates for UniCredit, collected by UniCredit Investor Relations directly from sell-side analysts covering UniCredit. The opinions, estimates and forecasts are theirs alone and do not represent the opinions, estimates or forecasts of UniCredit or its management, nor should they be considered as a recommendation to enter into any transaction involving UniCredit securities. By including this information on its website, UniCredit does not endorse or concur with any of these opinions, estimates or forecasts and disclaims any liability for the completeness, timeliness, accuracy or selection of such information.

Please note that the number of contributors may vary line by line and by reference period. Hence some quarter-end figures may not match the year-end ones. NB: The consensus figures represent the line-by-line median of the estimates provided by the analysts, therefore they are not additive.

“Stated net profit” means accounting net profit.

“Net profit” means Stated net profit adjusted for impacts from DTAs tax loss carry forward resulting from sustainability test. The result is used for cash dividend accrual / total distribution.

“Net profit after AT1/Cashes” means Net profit as defined above adjusted for impacts from AT1 and Cashes coupons. The result is used for RoTE and RoAC calculation.
