UCG THROUGH THE CRISIS: SOME LESSONS LEARNED HELPED TO MAINTAIN A STRONG FRANCHISE

THE CRISIS LED EVERYONE TO REFLECT ON SOME KEY THEMES:

1. CENTRALITY OF FRANCHISE

2. LOSS ABSORPTION CAPACITY

3. EFFICIENT COST STRUCTURE

4. RISK MANAGEMENT AT THE CENTRE: DELEVERAGE AND DERISK

5. STRONGER CAPITAL BUFFERS NEEDED

UNICREDIT POSITIONING RELATIVE TO KEY THEMES

At the beginning of the crisis...

... and after some tough quarters

Strong customer franchise preserved, with role as key player in CEE confirmed

Buffer to absorb credit losses remained solid, thanks to diversification

Restructuring potential activated and efficiency improved: lower cost structure, with FTE ~ -8,700 since Dec07

De-leveraging/ de-risking undertaken, with some good results

We "paid" for the effects of past acquisitions but positive capital generation has been maintained
