2) PARTICIPATION RULES

To take part in the call, each bank/country will send a **short-list of five (5) candidate projects** to UniCredit Foundation indicating the number of contributions (max 3) with the suggested amount they would like to assign (up to a total of € 40,000.00). In addition, the banks are asked to indicate the main reasons why each project is worthy of support from the Foundation.

In the selection process, UniCredit Foundation will be supported by an **Evaluation Committee** which will select the beneficiaries for each country and the amount of each contribution, also considering the banks' indications.

The contribution will be **paid directly by UniCredit Foundation to the beneficiary non-profit organisations**, upon signature of the agreement by the organisation's legal representative.
