2. A photocopy of a valid identity document (e.g. Identity Card or Passport).
3. A research agenda for the 24 months (maximum 3 pages, in English); the document must be sent via e-mail to segreteria.economia@unive.it (including in the subject line Research fellowship Carlo Giannini and the name of the candidate).
4. Indication of the Italian University/Department where the candidate plans also to spend the fellowship along with a letter of the Director of the chosen department confirming the availability of Department/Faculty to host the fellow indicating, also the designed advisor, expert in the field; the indication and the letter must be sent via e-mail to segreteria.economia@unive.it (including in the subject line Research fellowship Carlo Giannini and the name of the candidate).
5. All documents, qualifications and publications relevant for the selection procedure.

How to submit your application

Applications should be submitted here:

<https://apps.unive.it/domandeconcorso-en/accesso/dec-borsagianninibillio-18012022>

The candidate if necessary could access the procedures for updating any data and materials by the link, in any case any updates must be made no later than the deadline **2022-02-28, h. 12.00, noon, local time.**

Selection procedure

The selection is made by assessment of the scientific-professional qualifications of the candidates, the *curriculum vitae et studiorum*, the scientific publications and the interview.

The interview will be held in remote only. Further details on how to connect online will be published alongside the convocation notice

The interview will take place online.

The date of the interview will be notified at the time of publication of the list of admitted candidates, on **2022.03.14**.

The short-list of the candidates admitted to the interview, or any postponement, will be published on the

University's webpage (<https://www.unive.it/data/12136/>).

The publication of the schedule and the list of those admitted, also including the date of the interview or any postponement of such information have the value of notification for all purposes for the purposes of the call to the competition. Therefore, candidates are required to log on, equipped with a valid identification document, presented during the application phase, on the day, time and according to the telematic procedures indicated in the public notice

Selection procedure

The selection is made by assessment of candidates' curriculum, research papers and publications, and a research project.

Incompatibility

The fellowships within this announcement may not be combined with:

- other scholarships for any reason conferred, with the exception of those granted by national or foreign institutions useful to integrate, with stays abroad, the research activity of the scholarship holder;
- the attendance of doctorate courses with scholarship and medical specialization courses, in Italy and abroad;
- research grants;
- subordinate work relationships.

Scholarship holders may carry out occasional work activities, subject to written communication to the scientific director and on condition that: a) this activity is declared by the director compatible with the exercise of the research activity covered by the scholarship; b) it does not involve a conflict of interest with the specific research activity carried out by the scholarship holder; c) it is not prejudicial to the university, in relation to the activities carried out. The awarding of the scholarship does not give rise to the constitution of any employment relationship, nor does it give rise to rights regarding access to the roles of university personnel.

Information and contacts

Candidates may find further details about the application process and the research project in the official call published on <https://www.unive.it/data/28824/> and on <https://www.unive.it/data/28900/>

For further information please contact Segreteria Amministrativa del Dipartimento di Economia, phone number: 041-2349173; e-mail: simar@unive.it

Evaluation Procedure and Commission.

A **Commission** summoned by the Director of the Department, who indicates the President of the Commission and the member taking the minutes, will evaluate the applications.

Evaluation procedure. The Commission defines the general evaluation criteria. The interview and any other test must ascertain the suitability of the applicant to the research activity. The Commission compiles a ranking and specifies the winning applicant, having regard to the score appointed to experience and qualifications, interview and any other test, as specified by the call.

Awarding of the short research fellowship. Having received the selection documents, and at the outcome of the checks, the Director approves, by his own decree, the classification and the selection procedure reports and makes them public according to the procedures specified in the Regulation awarding the short research fellowship art. 6 and in the website <https://www.unive.it/data/28900/>. Exclusion is justified in detail in the selection reports, which can be accessed in accordance with law 241/90.

The Director of the department awards the research fellowship to the winner of the selection procedure, subject to ascertainment of the prescribed requirements. The latter shall accept the award within 15 days from receipt of the communication.

Grant. The fellowship is intended to provide the successful candidate with the opportunity to pursue his/her own research while benefiting from the range of expertise at the hosting University which has been specified in the proposed research project. The assigned advisor coordinates the activities of the Research Fellow and any other research activity within the same program and provides the Fellow with all the information for carrying out the research.

The hosting Department provides the Research Fellow with the needed back-up support such as access to facilities, equipment and administrative services.

The Research Fellowship is not, in any case, considered as an employment contract and the Fellow is not part of the University staff.

Throughout the period of the fellowship, the advisor in agreement with the Associazione Carlo Giannini may invite the fellow to illustrate the state of her/his research in seminars/workshops. It is also strongly advised to submit papers for possible presentation in international leading conferences in the field. By the end of first year, the fellow must produce an annual report on the advances of her/his research, including the scientific evaluation by her/his advisor. At the end of the Fellowship, the fellow must produce a final report. The fellow is expected to acknowledge receipt of this funding in all papers prepared in connection with this research effort.

The person responsible for administrative proceedings

In accordance with Art. 5 of Law no. 241 dated 7 August 1990, as amended, the person responsible for the selection process (RPA) is Ing. Silvia Lovatti who can be reached at the Department of Economics, at the e-mail address silvialo@unive.it and telephone no. +39 04102349158

Final provisions

For anything not specified in this call, see the University of Venice's current regulations regarding the awarding for research fellowships and the current legislation.
