

Past editions

Organized by:

CRENoS (North South Economic Research Center) Università di Cagliari and Università di Sassari
UMR 6240 LISA, CNRS, Università di Corsica Pasquale Paoli

The scope of the event is to give participants the opportunity to present their work in progress to an audience of interested peers and get valuable feedback to improve their ongoing research.

Both the format and the location of the workshop have been chosen to provide an ideal setting to promote knowledge sharing and social interactions conducive to collaborative research networks. The conference will be in-person. No hybrid or online format

The event will take place at two different venues according with the following schedule:

Alghero, Sardinia (Italy) 27-30 June 2022

Political
economy
27-28 June

Digital
economics
